As long as you are ok with me contacting him-that's part of why I haven't emailed him yet-I wanted to make sure you were comfortable with me doing the responding. Let me know which you prefer.

I don't have any concerns with the proposed changes.

Regarding contacting Mr. Soccorsey, I generally prefer to respond to correspondence addressed to me. However, you have a pre-existing relationship at this site. Thanks for contacting him.

Hello Lindie –

On behalf of Cascade Natural Gas, see the attached draft tolling agreement for the Bremerton Gas Works Superfund Site for DNR's review for execution. Also attached is a cover letter that sets forth the rationale and timelines that necessitate the agreement. As stated in the letter, we will need to have feedback from DNR on or before April 15th.

Please contact me if you have any questions.

Best regards,

Nathan Soccorsy
